

The subject of the environment and how we protect it is more important than ever in today's political climate.

Policy Press at the University of Bristol is a non-profit social science publisher committed to publishing environment-focused titles that help make a difference. From global concerns to local issues, our environment list includes titles by established and new authors, from monographs to textbooks.

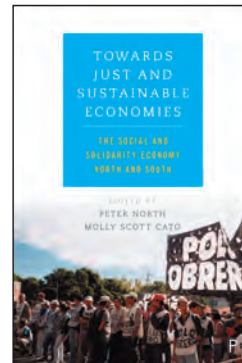

If you would like to receive regular announcements of new titles and information on how to publish with us, sign up to our environment and sustainability mailing list at: [www.policypress.co.uk/signup](http://www.policypress.co.uk/signup)
